

# Move-Out Cleaning Checklist

---

## General Areas

- **Ceilings** – Wipe clean with a damp cloth.
- **Walls** – Vacuum wallpapered walls and clean painted walls if necessary.
- **Floors** – Vacuum and mop.
- **Skirting boards and thresholds** – Wipe down and clean.
- **Windows** – Clean all windows. If necessary, separate the window panes and clean between the glass.
- **Window sills** – Wipe down and clean.
- **Air vents and radiators** – Vacuum and wipe clean.
- **Ceiling lights** – Remove lamp shades and wash them.
- **Electrical outlets and light switches** – Carefully wipe with a slightly damp cloth.
- **Wardrobes, cupboards, drawers, and shelves** – Clean both inside and outside.
- **Cupboard doors** – Wipe down.
- **Interior doors** – Wipe down and clean.

## Kitchen

- **Refrigerator and freezer** – Switch off, defrost, and clean inside and out. Leave the doors open after cleaning.
- **Stove/Cooker** – Pull the stove out and clean the sides, back, wall behind, floor underneath, and adjacent cabinet sides. Also clean the hob/cooktop and its edges.
- **Oven** – Clean the interior as well as baking trays and oven racks.
- **Sink and countertops** – Wipe down and clean thoroughly.
- **Light fixtures** – Remove lamp shades and wash them.
- **Kitchen cabinets** – Clean shelves and interior surfaces.
- **Cabinet doors** – Wipe down and clean.
- **Extractor hood** – Clean inside and outside, and clean or replace the filter if necessary.

## Bathroom

- **Ceiling** – Wipe clean with a damp cloth.

- **Walls** – Remove soap residue and limescale deposits.
- **Floor** – Clean thoroughly and remove soap residue and limescale deposits.
- **Toilet** – Clean thoroughly inside and outside.
- **Bathtub/Shower** – Clean inside and outside. Do not forget the areas behind and underneath the bathtub.
- **Bathroom cabinet** – Empty and clean both inside and outside.
- **Mirrors** – Polish until clean and streak-free.
- **Light fixtures** – Remove lamp shades and wash them.
- **Floor drain** – Remove hair and other debris.

## Other Areas

- **Storage room** – Empty, vacuum, and wipe clean.
- **Balcony** – Sweep and clean the floor.

## Important Information

Please leave the accommodation with the same fixtures, fittings, and equipment that were present when you moved in. For example, if you have removed a door or dismantled any fixed furnishing, it must be restored before moving out.

Avoid using abrasive cleaning products or tools that may scratch or damage surfaces.

Remember to remove all personal belongings and dispose of all rubbish before leaving the accommodation.

**Good luck with your move-out cleaning!**
